### THOUGHT FOR THE WEEK

Nothing is so important as human life, as the  
human person. Above all, the person of the  
poor and the oppressed... Jesus says that  
whatever is done to them he takes as done to  
him. That bloodshed, those deaths are  
beyond all politics: They touch the very heart  
of God. - *Oscar A. Romero. March 16, 1980*
